

2010-2011 Transfer Options

New student transfer options for the 2010-2011 school year are available on the Seminole County Public Schools Choices web site at www.seminoleschoolchoices.com. Transfer requests for 2010-2011 are due April 1, 2010. If the number of transfer requests exceeds the maximum number permitted during any school year, a random selection process will be used to select approved capacity transfer students. Transfer requests received by April 1 will be included in the random selection process.

Capacity and diversity incentive transfer requests may be submitted throughout the school year for review on a case-by-case basis pending available capacity.

Detailed information and transfer forms are available from the web site.
